

ALIEN / 1

ALIEN /1

It's the year 2087. Unfortunately, humans didn't take care of the planet and the ozone layer got some holes and solar flairs hit the earth. This means that a direct sunlight on you would harm your skin very bad. Now a big hole on the ozone layer has opened above Stockholm as well. We need to quickly find a place to hide so that we wouldn't get damaged by sunlight.

WE HAVE THESE FIVE PLACES AROUND.
SORT THEM BASED ON THEIR SAFETY
TO PROTECT US AGAINST SUN LIGHT.

ALIEN / 2

ALIEN / 2

Thank god. Now we are safe from the sun. But it seems that some alien spaceship is coming to Earth. We need to talk to them and find out why are they here? what do they want? We need to avoid and prevent any war or conflict.

THERE ARE FIVE ADULTS AROUND US WITH THE JOBS BELOW. ONE OF THEM SHOULD GO AND TALK TO THE ALIENS. SORT THEM BASED ON HOW USEFUL THEY MIGHT BE IN NEGOTIATING WITH THE ALIENS.

ALIEN / 3

ALIEN / 3

Our negotiator has talked to the aliens. But their language is not so easy. We know that they are not here to have war with us. But they can help us. We need to find an object that we can gift to them. The object should show them that we are peaceful and also can describe our problem.

WE NEED TO QUICKLY CHOOSE AMONG THE OBJECTS BELOW A FEW THAT SHOW OUR PEACEFULNESS AND ALSO WHAT OUR PROBLEM IS. FROM LEFT TO RIGHT SORT THEM SO THAT WE CAN CHOOSE THE BEST GIFT TO THE ALIENS.

“
**THANK YOU FOR
SAVING US**
